

KNCB LEAGUE POLICY UPDATE 2024

Players:

1. The registration of the players is towards the club and not to a particular team.
2. The player shall be placed in one of the teams of the club. If a player doesn't fit the needs of any teams, the registration shall be nullified and the fees shall be refunded.
3. The plan for a player for the season shall be announced by the captains 30 days before the player transfer deadline.
4. If the player is not in agreement with the captains, the player shall have sufficient time to make his own plans for the upcoming season.
5. The player shall register with a preferred profile & shall indicate clearly about the consequences of not getting to play in a preferred profile.
6. Club shall consider player satisfaction seriously and a player shall not be forced to change their role to fit in a team.
7. The club shall encourage competitiveness amongst players for a position in the team. Players of similar profile shall compete for available positions in the team.

Captains:

8. The captains are elected by the members (board members if the members have agreed).
9. The captains & league coordinator shall form a fixed squad of 16-18 players.
10. Captains shall define & have a mixture of players with different profiles and avoid having too many players of the same profile.
11. Captains shall be responsible for the fairness of opportunities and creating a competitiveness within the team.
12. The league coordinator has the right to enforce it in case the fairness & competitiveness are not visible.

13. The captains shall not change the role of a player without the consent of the player and the league coordinator.

League Coordinator :

14. The league coordinator has a very important role in making sure that the players are utilized for optimum performance and sustenance of the club)

15. The league coordinator has very important role in making sure that the players are utilized for optimum performance and sustenance of the club.

16. League coordinator also plays a key and decisive role in team selection per match. Most of the decisions are taken by the captains without intervention of the league coordinator, however the league coordinator reserves the right to enforce team selection based on player performance and player utilization.

Feedback & Retrospection:

17. There shall be regular open feedback & retrospection between players, captains and the league coordinator. Preferably every after 3 matches.

18. The feedback & retrospection shall be facilitated by the league coordinator.
